EXTENDED PROFILE

Emmanuel C. Anadebe, MBBS MSc AMRSPH (also known as Debes Chino) is an ambitious Public Health Specialist and Medical graduate with excellent research, time management and problem-solving skills, offering a solid knowledge base of top-drawer leadership skills. Debes Chino is a young, influential Nigerian personality. He's a talented Author (of 2 books currently), Editor, Poet, Public Analyst & International Motivational Speaker, who has love for the young generation that transcends barriers of age; cultivating the energy of change, for a better dawn. He's the Founder of DEBES CHINO MOTIVATIONAL LINK - an assembly of young, influential characters, affecting lives in a profound way. DCMLink is aimed at helping youths discover their potentials, and teaching them to face life with absolute dedication and serenity. With the vision of developing self-confidence, bringing changes, and influencing people by public speaking. As a leading provider, International figure and Speaker, Debes Chino is committed to deliver excellence in everything he does. Everyone at Debes Chino Motivational Link (DCMLink) knows that the only way we can become a successful business is by making you happy and passing positive messages simultaneously. Feel confident that you are receiving exceptional products and services by choosing Debes Chino to be there at your events, both online and offline, for public notes, trainings and motivational speeches for different Conferences, Leadership Trainings, Orientations, Charity events, Empowerment Programs, Youth Revivals and Camping and more. A few books from his desk includes the award winning THE CONSCIENTIOUS EMBLEM, and Our Future Generation. He is also an Associate Member, Royal Society for Public Health, United Kingdom.
